### **Registry for blocking telemarketing calls**

3070. SHRI B.K. HARIPRASAD: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether to save the telephone subscribers from the nuisance and harassment caused by telemarketing calls, Government have proposed to establish a registry to provide for blocking of such calls by telecom operators;

(b) if so, the details thereof; and

(c) by when the registry would become operational and whether TRAI could impose financial penalties on violators?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (c)

Based on the stakeholders responses to a consultation process for finding a solution to restrict Unsolicited Commercial Communication to subscribers who do not want such calls, internal discussions and international practices, Telecom Regulatory Authority of India (TRAI) has released a draft regulation on 23rd April, 2007 for putting in place a mechanism called "National Do Not Call Registry (NDNC)" for curbing the unwanted telemarketing calls.

Keeping in mind the concerns of their consumers, mobile service providers have already introduced "Do Not Disturb" facility for the subscribers who do not wish to receive information on products and services of their mobile service provider. Also, TRAI has advised the mobile subscribers through advertisement in leading newspapers to use this facility.

To tackle the issue of violation of the Regulation, TRAI has provided for a special tariff on per call basis for the violated calls, which will be higher than the normal tariff. If a telemarketer further violates the Regulation, provision has been made in the Regulation that the originating access provider shall disconnect the telephone of the telemarketer.
